You've been sentenced! Notaries Going to Jail Virtual Remote Online Notary Public Loan Agent H 2 H N O T A R Y LLC Safe, Secure, Satisfied, Service

Slide 2

Roadmap

Why do jail signings
What are the rules to get in
Dress code

What do they need notarized How to Identify an inmate How to attract these jobs Who is paying me Lockdown/Hostage

Slide 3

Why go to Jail?

Notarizations are needed with no way to get to the notary

Payment is on the spot by attorney, family/friends

Lower competition for the jobs

Higher paying/profitable assignments

Slide 4	What are the rules to get in Verify what type of visitor you are * Professional. Alliamore, Natures Public, Gov. Agencies, Vendors What qualifies me "Boy commission, Bor Card, MD Icense card, state employers ID Whether In Celling Afference * Typically not restricted Check in * Valid Product ID in: State ID or Dark's Lizense * that are an explosing or card * Instantanean and booking of or and Metal Detector * May have be said through of or be sended * Use loader for personnal terms not needed for notarization	
Slide 5	Special rules on the inside Dress Code No sleeveless shirts, halter tops, tank tops, revealing or low cut tops No canounaling elothing Beware of certain colors that might be affiliated with local gangs Do not wear same colors (whelteligney stripe and orange) as the inmattes (so you are not mistaken as an inmate) No flight flops or other open toed shoes No laskets No Bandamas What says in my car or in locker Notatops line Notatops	
Slide 6	What can I bring in Document to be nontried Loose Certificate Stamp/seal Thumbprinter (CA) Journal w privacy guard or the like to protect other signer info I per Common to the Common	

Slide 7

Slide 9			
	Identification For some states this is biggest challenge		
	ID choices for notarization is determined by State Law		
	 Personal Knowledge Some states allow for inside inmate ID like a wrist band or Inmate ID card AZ, CA, FL, and GI 		
	DOCUMENTS should have the same name at it is recorded BY THE SHEBEP'S DEPARTMENT Satisfactory follows but not specified byonized followings of ID If your state allows for Credible Witness(es) check to see if the facility allows that process, or if guards can be credible witnesses.		
		l	

Slide 10	States using Inmate IDs Anisons permits, Notaties to accept an immate identification and issued by the Anisona Department of Correction (AIC) as prote of identity for signers in AIC custody, and any form of immate 10 issued by a county sheriff if the signer is in the sheriff scustody. California allow, Notaries to accept an immate in custody at a prison, or inmate identification of Correction and Rehabilitation for immates in custody at a prison, or immate identification study of the control of Correction and Rehabilitation for immates in custody at a prison, or immate identification control issued after instead of the control	
Slide 11	What is my time investment?	
	Typically 45 min – 1 hr - Was time can be 34-5 minutes - Metal detector and or washing 5 minutes - Not already 6 decement 5-1 minutes - Not already 6 decement 5-1 minutes - Not already 6 decement 5-1 minutes - State of the second or washing - Count for except not variable - Round for notalizations are already occupied by attorneys or other notaties - What about closures - Call alread to make sure building is open to outside vendors and professionals - Immedia trusts - Immedia trusts
